

Glasgow 2030 Tourism Strategy

Tourism and Events Governance

GLASGOW'S TOURISM PARTNERS

The delivery of the Glasgow 2030 Tourism Strategy is coordinated by Glasgow Life, in partnership with Industry, VisitScotland and Glasgow City Council. Each organisation brings expertise and support to the tourism and events sector.

Glasgow Life (GL)

- Tourism lead for the city
- Destination Marketing
- Events
- Glasgow Convention Bureau
- Manage many of the city's cultural assets
- Manage a variety of music venues

VisitScotland (VS)

- Scotland's National Tourism Agency
- National and international marketing
- Visitor information and advice
- Industry engagement, advice and support
- Data and insights

Glasgow City Council (GCC)

- City strategy and policy
- Infrastructure and the public realm
- Licencing and planning
- Economic development

Industry

- Accommodation providers
- Attractions, venues, shopping
- Events, Food and Drink
- Deliver visitor experiences and customer service

GLASGOW TOURISM ADVISORY FORUM (GTAF)

The Glasgow Tourism Advisory Forum is the strategic body for the tourism sector, with representation from key organisations and groups across the business community.

The purpose of the Forum is to monitor and report on progress against the actions set out in the Glasgow 2030 Tourism Strategy.

The Forum is operationally supported by Tourism colleagues at [Glasgow Life](#), and feeds in to [Glasgow Economic Leadership](#) (GEL).

Focus for 2024 to 2026:

- Have strategic oversight for the Glasgow 2030 Tourism Strategy
- Monitor and report on the progress of the Glasgow Tourism Action Plan 2024-26

GLASGOW TOURISM & EVENTS NETWORK (GTEN)

The Glasgow Tourism and Events Network is operationally focused, representing the voice of tourism and events in Glasgow.

The group provides a platform for industry sector leads to collaborate, learn and celebrate best practice.

The GTEN connects with the Glasgow Tourism Advisory Forum (GTAF) and is operationally supported by Tourism colleagues at [Glasgow Life](#).

Focus for 2024 to 2026:

- Share data and insights to inform activity.
- Support collaboration and early information sharing across the sector.
